

How to connect AmazonSmile to TLT – Tomorrow's Leaders Today

Prepared by: Catherine Landeros

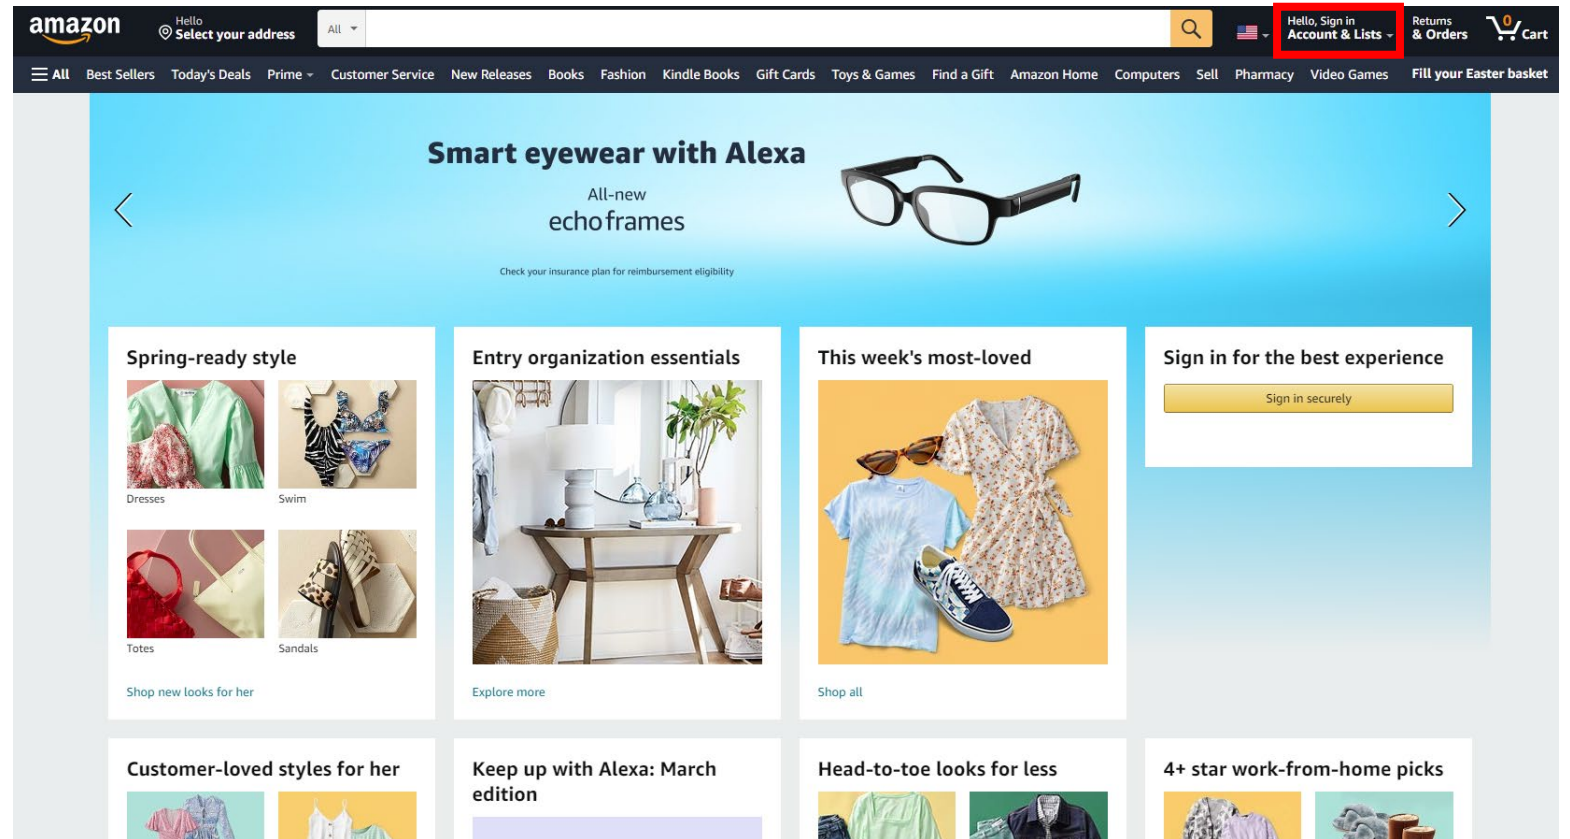

What is AmazonSmile?

AmazonSmile is a simple way for you to support a charitable organization at no cost to you. By choosing a charity and shopping on the AmazonSmile website (smile.amazon.com) Amazon will donate 0.5% of the purchase price to your chosen charity. While this doesn't seem like much, it adds up over time. You can also purchase and donate items from an organization's charity list.

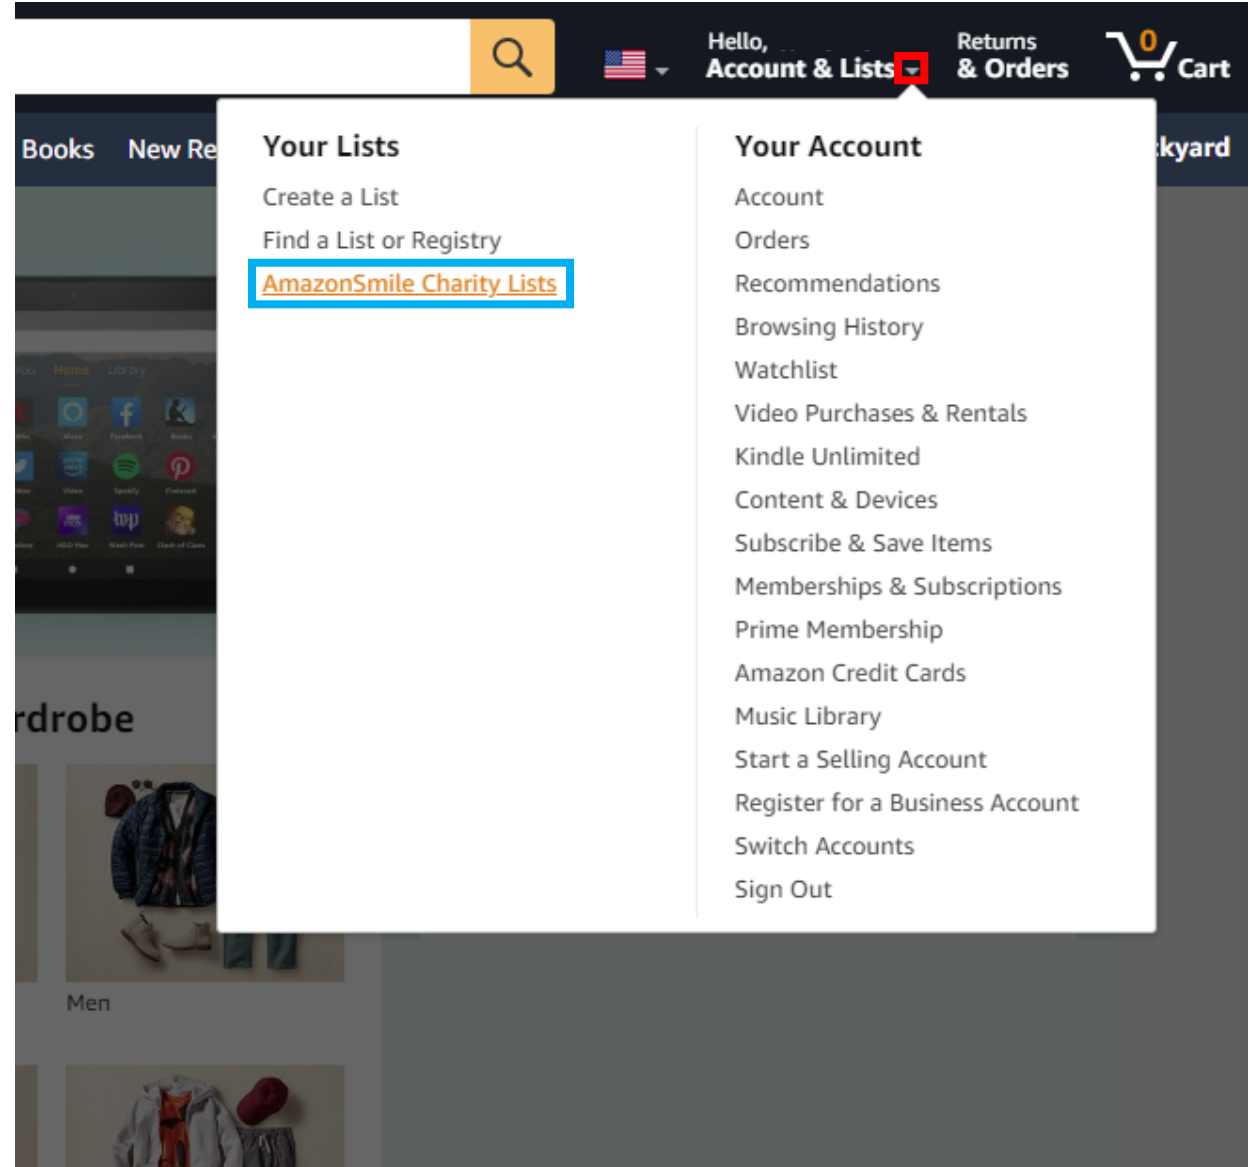

You can use AmazonSmile on both your browser and the Amazon mobile app, but the process is slightly different for each.

How do I enable AmazonSmile on a browser?

- First, go to the regular Amazon website and log into your account.

- Once you're logged in, hover over the **small arrow** next to *Account & Lists*
- A large white menu should appear. Go to the left-hand side, and **AmazonSmile Charity Lists** will be the last option.

- You should now see this screen.
- Click the **Get started** button

The AmazonSmile program offers customers the benefit of making a donation to your favorite charity. We're able to provide this benefit to you when you choose to start your shopping at smile.amazon.com or with AmazonSmile turned ON in the Amazon Shopping app on your mobile phone, in part because we expect AmazonSmile to grow primarily through word of mouth instead of paid advertising—and this enables us to fund donations to our customers' favorite organizations.
