

TLT is So Very Thankful for you!

As we head into the Thanksgiving holiday, TLT- Tomorrow's Leaders Today (TLT) has so much to be thankful for. Most importantly, TLT is thankful for **YOU**. Once again, we have all had unique challenges, and through it all, partners like you have continued to support the youth of our community. We are excited and grateful to see that your support has helped to create lasting change here in Collin and Denton Counties and surrounding areas.

TLT wishes you and yours a safe and Happy Thanksgiving!

TLT - Unlocking The Future Program

The TLT Unlocking the Future Program (UTF) is a free program offered to economically underserved students throughout Collin and Denton Counties. Students are taught basic real-life soft skills, higher education, and career readiness through group discussions, hands-on exercises, and speakers and presentations about the civic, corporate, charitable, and educational opportunities right in their community. Each class completes a community project. UTF is a strengths based, needs-driven program designed to create independence and stability as well as improve self-confidence and well-being of youth in our community.

TLT - Tomorrow's Leaders Today is grateful to have been able to take part in several exciting events this year.

TLT participated in virtual career and internship fairs as well as a nonprofit internship round table event, all hosted by Texas Woman's University. We had the privilege of presenting our programs to the students of the McKinney Area Christian Homeschoolers, participated in the Embrace Texas Aging out of Foster Care Event today and had the honor of presenting at the North Dallas Chamber of Commerce Education Committee meeting.

We were able to participate in McKinney Make a Difference Day with LIFT R&R at Victory Church of McKinney where 42 families received clothing, furniture, raffle items, vouchers to attend TLT's Unlocking the Future and internship programs, and goodies from over a dozen non-profit vendors. TLT also had the opportunity to visit SignSmiths of Texas and Wylie ISD students to share the opportunities that TLT- Tomorrow's Leaders Today has to offer.

We are grateful for the support given through our quarterly Recycle to Support campaign. R2S works hard to prevent unwanted clothing & household items from ending up in our landfills by providing a convenient and eco-friendly way of disposing of them. When you donate your items and designate TLT as your charity of choice, R2S provides a fair market value for every pound of donations collected. Our next R2S donation event will be December 20, 2021 - January 2, 2022.
