## Youth Development & Leadership Programs

for youth and young adults (8th grade and older) that focus on Real Life Skills, Soft-Skills, Higher Education and Career Readiness, Civic Responsibility, and Leadership Skills, Hands-on Internships. Not only do these individuals fall in love with their community, they also become self sufficient, engaged and involved community members earlier, embrace their civic responsibilities and want to become leaders.

Building blocks – Character, Communication, Confidence, Creativity, Diversity, Equity, Inclusion, Belonging, Integrity, Problem Solving, Teamwork, and Vision – are highlighted, while catering to the TLT- Tomorrow's Leaders Today, Inc. ("TLT") participants and their individual needs and goals.

## YOUTH AND ADULT LEADERSHIP ACADEMY

Youth and their parent/guardian together experience emerging community and business leaders who encourage them to learn about, to question, to dream about, and to care for their community. Each session explores leadership dynamics, social service organizations, servant leadership, community growth and education, community health and safety, community government and community culture and leisure.

## What Makes TLT Different?

Throughout Texas, we work with 8th grade-Junior College participants, mostly in underserved, economically challenged situations, to integrate their career path/goals, while developing leadership qualities and real-life skills.

The selection of the class facilitator, mentors, retreats, internships and community service projects foster these relationships. The participant will learn how to be a self-sufficient community member and leader in any career they choose.

## Our Programs
