# Leading Leaders Intern Program

Our Leading Leaders Intern program strives to provide each young adult participant, ages 15, and older, in Texas, the hands-on opportunities to gain valuable experience to integrate with their career path in mind while developing leadership qualities and skills with hands-on curriculum-based opportunities. These positions are all REMOTE which allows us to serve many young adults, in many locations, and inclusive to all. Experience is not necessarily required. Engagement with business, civic and community leaders aligned with the participant's career choice leads to more meaningful connections. Check with your school advisor, some are offering credit for completing our curriculum-based program, and with your career services office for possible grant opportunities for stipends for these unpaid programs.
